

Touch With Oils® Hand Massage Course

Touch With Oils® ... a language of no words

Candace Newman, MAT, LMT 6 CE hrs

The **Touch With Oils® (TWO) Hand Massage** is a philosophy and a technique. Candace developed this work in the early 1990's as an Aromatherapy massage therapist, Hospice volunteer, retreat instructor, and teacher for caregivers, volunteers, friends, and families. This slow, rhythmic technique serves to balance the autonomic nervous system, promotes lymphatic drainage, and gives the body & mind a deep and quiet rest.

Candace is the founder/owner of **Touch With Oils® Institute LLC**. The **Motions of Stillness techniques** that center around the Ten TWO Principles are based on the synergistic powers of touch & smell, gentle & quiet, and the silent universal language of compassion.

The **Touch With Oils® (TWO) Hand Massage** reveals essential oils as microcosms of Holistic Medicine. This is a beautiful, heart-felt tool of peace and compassion that can be incorporated into any modality or serve as a stand-alone treatment for caregivers, volunteers, customers, clients, families, and friends.
